

The City of Ladue is accepting resumes for the following part-time position:

Code Compliance Inspector

The City of Ladue, MO (Population 8600) located in St. Louis County is seeking an individual to serve as part-time Code Compliance Inspector. The Code Compliance Inspector performs a variety of technical duties in support of the City's ordinances, code requirements, and property maintenance program related to land use matters, building, health and safety, storm water runoff, noise, nuisance lighting, signage, and other matters of public concern. Violations and complaints are investigated and procedures to abate violations and obtain compliance including issuing notices of violations, citations, and court action are performed while applying strong customer service skills. This position also maintains thorough records and documentation and provides information on City regulations to property owners, residents, businesses, the general public, and other City departments.

Compensation: \$20 - \$25/hour, depending on qualifications and experience. Part-time position, no benefits. Estimated weekly hours: 25

To apply, submit resume to the Building Official at wpenny@cityofladue-mo.gov
Position open until filled. For full job description, including required education, training and experience, visit www.cityofladue-mo.gov
